Publications

Please list **up to six** publications which may include: single- or co-authored books, chapters in edited volumes, monographs, articles and papers, including material in press or 'forthcoming' but not yet published. If you provide details for more than six, the six most recent will be listed in the Directory. **Please do not include** book reviews or shorter pieces such as, usually, encyclopedia entries. Publications should be entered in date order with the oldest first. If your publication does not fit the criteria but you would still like to include it enter it in the Other Information section below. The format for publications is as follows: - Year: *Title of Book: Sub-title*. Publisher

- Year: Title of chapter. In *Title of Book* (ed. A.N. Editor & A.N. Other). Publisher

- Year: Title of article. *Title of Journal*, Volume:Issue, pages
